EP312 Public Question A member of the public asked about the mapping progress of recording the track through Kembrey Copse (Cycle track at the Venney to exist into Pinehurst Road opposite SALGA site and asked if the Parish Council would support or sponsor the reinstatement of its use.

The Parish Clerk responded by informing members that the decision is that of Swindon Borough Councils but the Parish would be happy to look through all of the information and then discuss to see if there are any objections within the Parish.

Action: The Estates Manager to provide Parish Councillors with the files provided by the member of the public so that they are able to discuss at the next Planning & Environment Committee.

Vote: Member's voted

Outcome: Motion Passed
